

Senior Class Gift – Sponsored by the Alumni Office

Congratulations! You are about to cross the finish line of your undergraduate collegiate career, and the USC Aiken Alumni Association is excited that you will be joining the ranks of over 15,000 Pacer Alumni.

Each semester the Alumni Association invites graduates to participate in, and continue the Senior Class Gift Tradition. In exchange for your contribution you will receive a year's membership into the USC Aiken Alumni Association.

A \$25 donation includes a one Year's membership in the Alumni Association, a DVD of the Graduation Ceremony, and a Class of 2016 Graduation T-Shirt. (Nursing graduates' contributions will count as their first year contribution to the Nursing 200 Club.)

Over 120 of the 2015 May Graduates participated in the Senior Class Gift Tradition. We hope you will help the class of 2016 make it even larger.

See the back page for payment options... and please include your t-shirt size.
