Start Your Management Training Today!

Your SAM campus chapter is a working model of a real business organization. And you will get hands-on experience making it work!

Your regular chapter activities will help you develop a wide array of managerial and leadership skills such as: goal setting, planning, organizing, controlling, project management, scheduling, prioritizing, budgeting, advertising, marketing, public relations, selling, fund-raising, and running productive meetings

Why Wait Until You Graduate?
Join SAM Now!

The Society:

Gives you a personal introduction to the practicing managers in your local community

Exposes you to the most successful management techniques in current use

Transforms textbook theories into practical applications

Eases the transition from college to career

Introduces you to other students who share your interests, concerns, and career objectives

Strengthens your resume with a professional credential

Moves your career on a faster track

“Through the interaction of students, faculty, and practicing managers, to assist in communicating the practice of professional management.”

SAM Campus Mission

In 1912, the followers of Frederick W. Taylor, father of “Scientific Management,” together with a group of colleagues, founded SAM--the Society for Advancement of Management

SAM's early professional managers recognized the need to develop future managers. The year 1932 witnessed the birth of the first SAM campus chapter

As A SAM Member, You Will Have The Opportunity To:

- ❖ Receive award winning publications
- ❖ Network and make valuable contacts
- ❖ Serve on SAM International Board of Directors
- ❖ Attend the annual conference at a discounted rate
- ❖ Compete with other SAM campus chapters in the Annual Management Case Competition and other Awards programs
- ❖ develop professionally
- ❖ Serve in leadership positions in local and national level and participate in chapter management
- ❖ Discuss business problems with other members and associates
- ❖ Learn and perfect the management theory basics and practice
- ❖ Become a member of the world's oldest professional management society

The Competitive Edge

SAM's Campus Chapter activities provide valuable forums for students in communities across the country. Get a realistic overview of the business world...valuable tips on resumes, interviewing, and more!

SAM travels with you throughout your professional career

Campus Membership gives you a head start in management training while you're still in college

Associate Membership helps you make the transition from campus to career after you graduate. For two years after graduation, you may get all the privileges of Professional Membership for a special price. (A great way to keep up with the contacts you've made)

Professional Membership enables you to continue your membership as a Professional Member
