All Undeclared students are encouraged to utilize the available options below to assist them in declaring a major:

- Review the list of majors offered at USCA (listed on page 49-50 in the 2016/2017 Bulletin)
- Take courses in majors considered

For a more in-depth look into each major and career possibilities associated with each major, Career Services (Penland 107 / 803-641-3440) offers the following services:

<http://whatcanidowiththismajor.com/major/>

Click on majors of interest to see outlines of common career areas, employers, and strategies designed to maximize career opportunities.

Focus 2 is a self-guided career planning system to help students make decisions on college majors and map out career plans. FOCUS 2 is available 24/7 and can be accessed on the Career Services homepage at www.usca.edu/career-services. Remember, assessments will not tell you exactly what to major in but are a great first step in the process. Upon completing the FOCUS 2 assessment, make an appointment with a staff member in the Office of Career Services to discuss your results.

- **Job Shadowing** Job shadowing offers students a short-term experience to observe a professional working in a career field of interest.
