Dear Colleagues,

When you run into members of our local Statehouse delegation, thank them for their support of USC Aiken through the budget building process. The proposed 2020 state budget emerged from the Senate with the \$3.5M to renovate the B&E gym and an increase in annual appropriations still included. We are not home free yet, but at this point in the process, I'm guardedly optimistic that these items will remain.

Best wishes,

Sandra Jordan
Chancellor
