Subject: Vote Today!

Dear Pacers,

Voting is one of the most important rights and responsibilities that U.S. citizens have and a privilege that many people in the world envy. Your vote matters, so I hope you will take the time to step away from your daily routine for 30 minutes today to get out and vote in the current election.

It is important to know that every vote counts. On a website published by the State of Illinois, elections decided by just a few votes are listed and include the presidential election of 1960 when John F. Kennedy became President of the U.S., narrowly edging out Richard Nixon. According to that site, “Richard Nixon, not John F. Kennedy, would have become President of the U.S. in 1960 if one person from each voting place had voted differently.”

Let your voice be heard and play a role in choosing our leaders and changing our laws by voting. If you are registered to do so, *Vote Today*. In S.C. polls are open until 7:00 p.m.

Sincerely,

Sandra Jordan
Chancellor
