Dear Campus Community –

I know this is a tremendous season of giving, and I am thankful for your generosity on campus and in our community.

The USC Aiken United Way Campaign is now underway, led by Karen Edgington.

Our goal this year is \$5,000. Together, I know we can achieve it, and with it, the United Way will continue to make a difference – through your efforts – in the lives of many of our neighbors, perhaps even some of you.

Karen has reached out with the information on how you can participate.

Thank you for the gifts that you can share during the campaign and through your pledges. They will certainly have an impact.

Sincerely,

Sandra Jordan
Chancellor
