It is designed for those students whose educational objectives are better served by a flexible interdisciplinary program of study rather than by a traditional, single-discipline major.

The following list of candidates for graduation was prepared before final grades were reported, and inclusion herein does not constitute evidence of graduation. The listing of a name should not be construed as an indication that the person will in fact receive a degree from the University of South Carolina Aiken. Conversely, the absence of a student’s name from this list does not necessarily mean that the person will not be awarded a degree.
