University Housing COVID-19 Common Space Usage and Cleaning Plan

University Housing Cleaning Schedule

- Custodial services will be provided in University Housing from 7:00 am to 11:00 pm, Sunday through Saturday.

Housing Securable Spaces: Lounges, Classrooms, Public Restrooms, Study Rooms, and Kitchens

- Each securable space must be requested prior to each use at the appropriate community office (Crossings, Commons, or Downs); they will remain locked when not in use. Community offices will log the use of the facilities and check out the appropriate keys as needed.
- A thorough cleaning with appropriate cleaning agents on all hard surfaces, to include tables, chairs, computers, white boards, toilets, sinks, etc. will be done after each use. Residents will not be able to use a securable space until the cleaning has taken place after the use.

Computer Labs, Vending Machines, Water Fountains, Laundry Rooms, Mailboxes, Public Restrooms (Non-Securable), Downs Community Center, Crossings Lounge, Commons Lobby

- Thorough cleaning completed each day.
- The hard surfaces will then be wiped down in these areas 3 to 4 times each day.

Hallways and Stairwells (Crossings and Commons)

- Wipe down all handrails, doorknobs, and push bars 3-4 times a day

Offices (Central Housing, Crossings, Commons, and Downs)

- Each office will be cleaned and wiped down (all hard surfaces) each morning before 8:30 am.
- Cleaning wipes and disinfectant spray are located at all desks throughout all Housing Offices.

Isolation Apartments

Once an isolation apartment has been vacated by a resident with COVID-19, University Housing custodial staff will thoroughly clean the apartment, using proper PPE equipment and following COVID-19 enhanced cleaning protocols. The apartment would then be ready for use again as an isolation apartment.
