i wonder...

I wonder...?

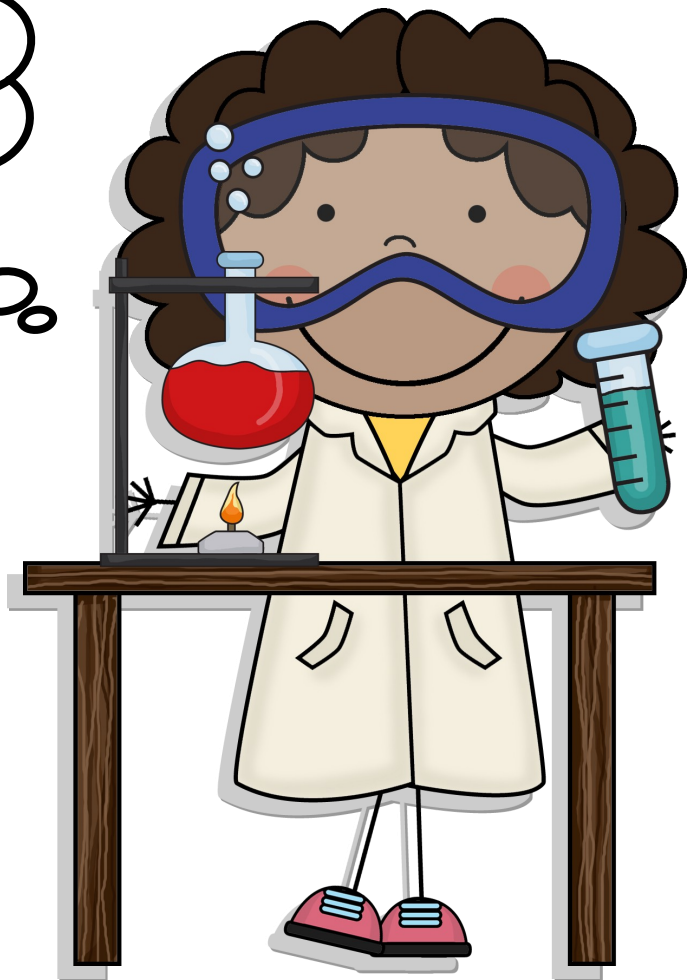

ask questions.

i think...

FORM a HYPOTHESIS.

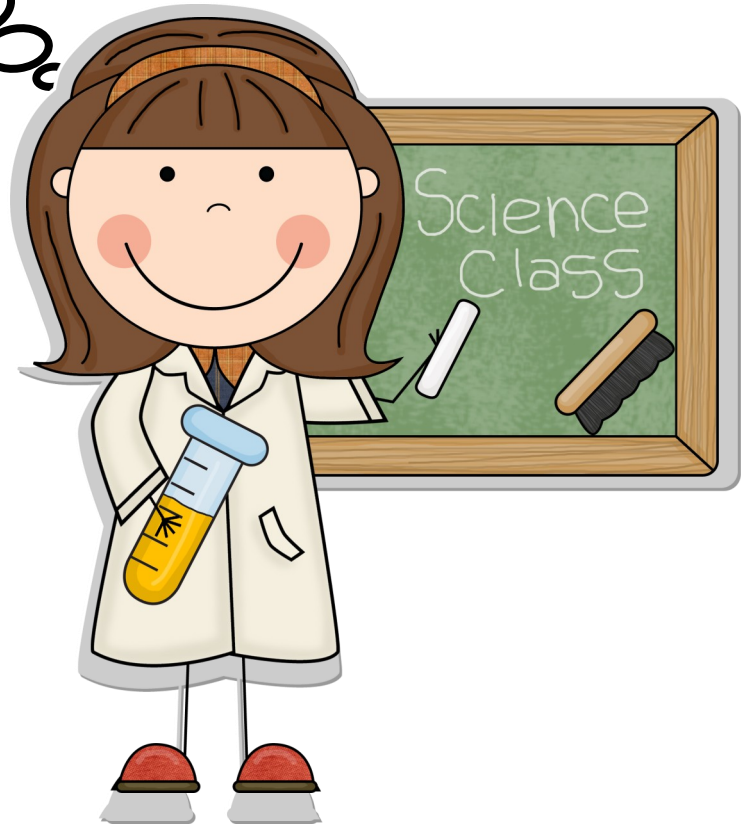

i see...

conduct an experiment.

i DISCOVERED...

I discovered...

RECORD their OBSERVATIONS.

i know...

COME to a conclusion.

Question

I wonder...?

Hypothesis

I think...

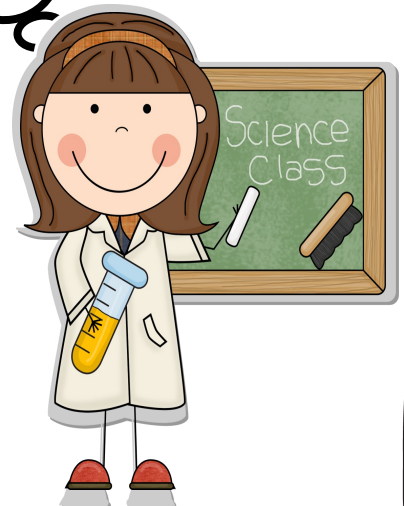

experiment

I see...

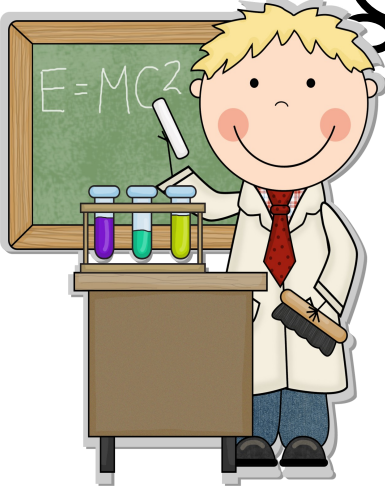

OBSERVATIONS

I discovered...

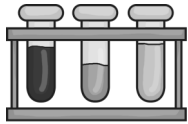

conclusion

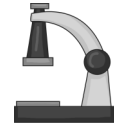

I know...

name _____

i am a scientist!

i wonder...

i think...

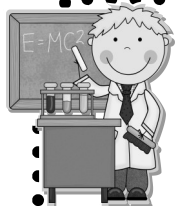

conduct experiment

i see...

i discovered...

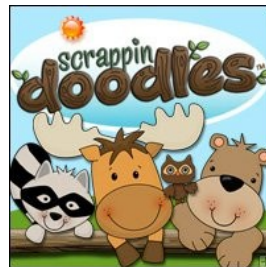

i know...

thanks!

If you enjoy this freebie please check out my other products. I have many science units available!

Also, if there is a specific science unit you would like to see, visit my blog to submit a [product request](#) and get the unit free!
