University of South Carolina Aiken

Why major in Communication?

Effective communication is essential to your personal and professional success. Learning about communication theories, research, and practices makes you a better communicator in relationships, in teams, and at work. Employers want graduates with strong problem-solving skills, the ability to work well with others, and strong oral, written, and visual communication skills. You will consistently practice all these skills in our core curriculum. We are committed to helping you use the knowledge and skills you learn in our classes to be influential leaders and engaged citizens. We will challenge you to think critically, communicate effectively using appropriate technologies, make ethical decisions, and solve problems thoughtfully.
