

Math Placement Chart (Effective Fall 2019)

For the following majors, these students will be enrolled in MATH 102 or 103.

- Communication, English, Fine Arts, History, Music Ed., Political Science, Undeclared

For all STEM majors (College of Sciences and Engineering), majors in all professional schools, and Sociology majors, the following chart applies based on standardized test scores:

ACT Score (MATH)	SAT MATH (New)	Course Placement
16 or below	459 or below	MATH A104
17-21	460-519	MATH A108L (5 contact hours)
22 – 24	520 – 569	MATH A108 (4 contact hours)
25 – 27	570 – 629	MATH A111, MATH A112, MATH A122, MATH A170 STAT A201
28 or higher	630 or higher	MATH A174, MATH A141*

Foreign Language Placement System

(based on HS grades in student's HS foreign language courses)

A	B	C	D/F
3 points	1 point	0.5 point	0 points
(Sum of all foreign language course grades)			
0-5 points	6-11 points	12-15 points	15+ points
language 101	language 102	language 210	300/316

English Department Requirement

To be able to take ENGL A101 and/or A102, you must have completed 4 full credits of HS English. Dual enrollment students are only allowed to take ENGL A101 in the Fall, and ENGL A102 in the Spring.

Two-Course Limit

High school dual enrollment students are limited to a maximum of two (2) courses per semester. The university is pleased to offer the dual enrollment opportunity; however, this limit will be strictly enforced due to space limitations and the priority that must be given to USCA degree-seeking students.
