

Generic BSN Program Application Due date: February 28, 2020 by 5:00pm.

Applications received after this deadline will not be considered.
If the 1st is a Saturday or Sunday the application is due the Friday before.

INSTRUCTIONS

Requirements for Application:

- Prerequisite core* course GPA: 3.0 or higher (no exceptions).
- All **9** prerequisite core* courses are completed prior to application to the program. Prerequisite core* courses may not be in progress at the time of application.
- All general education courses are completed with C or higher prior to application.
- All courses taken at any institution of higher education must be evaluated by the Registrar and be visible in the USC Aiken SSC system for the application to the USC Aiken School of Nursing to be considered by the Admissions, Progression, and Graduation Committee.
- Test of Essential Academic Skills (TEAS) is completed and results forwarded to USC Aiken. More information about TEAS is available at <https://www1.atitesting.com/Home.aspx>

Responsibilities of the Applicant:

- Ensure that transcripts for all course work completed at other institutions have been received and uploaded to the USC Aiken SSC system.
- Provide references from 2 professors from prerequisite core* courses only. These instructors need to write legibly on the reference form (available online). References may be mailed or faxed to the School of Nursing:
 - Ensure reference form waiver is signed prior to requesting references.
 - Mail: Professor needs to sign the form and also sign name over the adhesive seal of the envelope.
 - Fax: Professor needs to send form directly to 803-641-3725.
- Staple all elements of the application together except for essays. The essays should be submitted with the application form, but without being attached to the other documents. Two-sided printing is acceptable. Please do not submit this page of INSTRUCTIONS.
- Sign and date the application form prior to submitting to validate the application.
- Ensure that all prerequisite core* courses and general education courses are completed, that TEAS scores are available to USC Aiken, that references have been received, and that any written essays adhere to the specified guidelines.

Note: Applicants will **not** be notified when all elements of the application are received. Applicants are encouraged to contact the School of Nursing (803-641-3507) prior to the application deadline to verify that all necessary elements have been received.

If accepted into the USC Aiken BSN program, please be advised that a mandatory background check and drug screening are required prior to beginning the program.

If information is needed in an alternative format, or for questions concerning the application process, please refer to the BSN Application Guidelines website first. If you do not find the information, please email Ms. Kathy Simmons: kathryns@usca.edu

PREREQUISITE CORE* COURSE ASSESSMENT SECTION INSTRUCTIONS

- Calculate GPA for the 9 prerequisite core* courses using any GPA calculator.
- Regardless of how credit hours were assigned for these courses, all science courses are valued as 4 credit hours and non-science courses are valued as 3 credit hours.
- Include all withdrawals (W) on this form. If applicable, list separate lab and lecture grades for science courses.
- All grades from repeated courses must be included in GPA calculation.
- Any D, F, and W received at other institutions must be included on this form even though these do not appear in USC Aiken's SSC system. Attach an explanatory letter for any final grades appearing as D, F, or W.

Name: _____

PREREQUISITE CORE* COURSE ASSESSMENT

Total Core* GPA: _____ **Total Core* Hours:** _____

Note: Total number of hours is greater than 30 if any courses were repeated.

Core* Course	Initial Grade	Term	School	1 st Repeat Grade/Term/School	2 nd Repeat Grade/Term/School
