

UNIVERSITY OF SOUTH CAROLINA AIKEN

Alexis Zimmerman

Friday, May 1, 2020

USC Aiken alumna, Alexis Zimmerman, is sharing the university's message of H.O.P.E. as she takes the Sheppard Community Blood Center's mobile unit on the road, this time to get a donation of blood from Sandy Talbott, the coordinator for parent and family relations.

Alexis, a member of the Class of '14, majored in exercise science. Many thanks to Alexis for helping ensure an adequate supply of blood in the CSRA.

Blood is the most precious gift that anyone can give to another person – the gift of life. A decision to donate blood can save a life, or even several if your blood is separated into its components – red cells, platelets and plasma – which can be used individually for patients with specific conditions.
