

# RAFTing with Raptors Activity

Our bird is a: \_\_\_\_\_.

**STEP 1.** *Use your field guide to find the answers to the following questions.*

<b>Question</b>	<b>Information from text</b>
Where does this bird live?	
What does it eat?	
What does this bird look like?	
Interesting fact(s) about this bird	

**STEP 2.** *The answers to the following questions must be inferred. Cite your evidence!*

<b>Question</b>	<b>How do you know? (What is your evidence?)</b>
Is your bird a carnivore, an herbivore, or an omnivore?	
Is your bird a predator?	
Does your bird migrate?	
Is your bird nocturnal or diurnal?	
Is your bird a raptor?	

**STEP 3.** *Now compare your answers with that of another team. How are your birds similar? How are they different?*
