Butterfly Cycle
Tune: Row, Row, Row your boat

Words:
Hatch, hatch, little egg,
I'm so very small.

Teeny tiny caterpillar, you
Can't see me at all.

Crawl, caterpillar, crawl,
Munching on a leaf
Crawling, munching, crawling,
munching,
Eat and eat and eat.

Form, form chrysalis
I'm a different shape;
Hanging by a silken thread
until I can escape.

Rest, rest, chrysalis
while I change inside.
Now at last my time has come
To be a butterfly.

stretch, stretch, pretty wings,
It's a special day.
soon they will be strong enough
For me to fly away.

Fly, fly, butterfly,
Fly from flower to tree.
Find a place to lay my eggs
so they can grow like me.

motions:
Cup hands and carry the egg
Use thumb and first finger to make a small gesture.
Use fingers to crawl in the air.
Bring hands to mouth to look like they are eating.
Move hands as if holding or forming an invisible ball
Hold up hand as if a string was hanging down.
Put hands together and lay head on them, as if sleeping.
Point to wrist as if there was a watch.
Stretch!
Use your arms to make your strong muscles.
Fly!
Put hand over eyes, as if looking for something
