Summary of activities

Students in Grade 7 will learn about the history of the Vietnam War while wrestling with difficult questions such as, Do the ends justify the means? Did the United States’ use of chemical weapons to destroy the enemy in Vietnam justify the health effects caused by exposure to Agent Orange in Southeast Asia? The students will review a Time Magazine article about forest defoliation, analyze a political cartoon, examine US pop culture of the 1960s and 1970s, interview a Vietnam vet, and participate in a debate. This TILT contains a text set with books related to the Vietnam war, but also contains books about Vietnamese culture including How Tiger Got His Stripes: A Folktale from Vietnam, Children of the Dragon: Selected Tales from Vietnam, The Dragon Prince: Stories and Legends from Vietnam, and Vietnam A to Z: Discover the colorful culture of Vietnam. This unit includes daily pre-writing and writing activities, hands-on activities, an Eco-Tag game, and a portfolio assessment rubric.
